

Entertaining Angels by Yvonne Hartman

Hebrews 13:1-2

E D
Entertaining angels while I am unaware
A E
Powerful as fire, unseen like the air
E D
Hidden right in front of me everywhere I go
A A Asus E A2 E Esus E
Am I entertaining angels... and I don't even know? And I don't even know...

A E
Driving in my car one day on my way home
D A
Singing to a song I know on the radio
E D A
Next thing I know my tire blows and I'm pullin' to the side
E D A
I try to call, but no bars at all on this country hillside
D D Dsus A A Asus
Someone stops to lend a hand – is it an angel or a man? Am I... *Chorus*

A E
Sitting in my room one day workin' on the Internet
D A
Email, Facebook and other things to check
E D A
The doorbell rings, I drop my things, go runnin' to the door
E D A
"Can you help me please? I'm starting to freeze and my car don't work no more."
D D Dsus A A Asus
We lend a helping hand – is it an angel or a man? Am I... *Chorus*

BRIDGE:

In entertaining strangers, you may entertain angels... *Chorus*
