Am G D C
There's a hunger in the world tonight, across another shore

Am G D C
They go to bed empty and they dream of so much more

Am G D C
But their bed has no mattress and their room has no walls

Am G D C
It's not a distant shore at all, but the same one that I walk!

C G D Am
Help me see the hunger that's right in front of me

C G D Am
A city of tents, full of those in need

C G D C
I've been blind so long to what I didn't want to see

C G D C
Help me feed the hungry that are right in front of me!

C G D Am C G D C

Am G D C
I see it on the TV a thousand times or more

Am G D C
"Please feed the children, what are you waiting for?"

Am G D C
Jesus said, "I was hungry and you gave me food to eat."

Am G D C
He said, "Feed the least of these, and you also feed me..." Chorus

G D C D G D C D (second time hold C)
Help me see the hunger, help me feed the hungry! (repeat, then chorus 2x)

C G D C
Help me feed the hungry that are right in front of me...
