

You'll Never Leave Me

© 2008 Yvonne Hartman

E Esus
I have never felt like this before
E Esus
All his things are still behind the door
DA E
I feel so a - lone
D A E
Since he left home

E Esus
A lousy job and three mouths to feed
E Esus
Not enough to pay the bills I need
D A E
I don't know why he left
D A E
Does he love me less?

Chorus:

E D
I know - You'll never leave me
E D
The world - cannot defeat me
E D A E
I'll hang on tight - 'cause it's gonna be all right
C D A
I know that I'm all right
C D A
'Cause You're by my side.

E Esus
Just when I couldn't pay the bills
E Esus
Someone sent enough and I am thrilled
D A E
I don't know who they are
D A E
But to me - a star! *Chorus 2x*

Last time repeat chorus, then the last two lines repeat with last line:

C D C D C D A
'Cause You're by my, by my, by my side.
